

Whiteboard Wings for Dell™ C70 Flat Panel Displays

Model # DS-SWBW-C70

Dell SKU # A9548837

***Set of magnetic and dry-erase whiteboard wings for mounting
to a flat panel display mount or cart***

Display, camera and cart not included

- Covers entire width and height of the display
- Wings are attached to two metal bars that attach to the display mount
- Features a honeycomb core that is covered, on both sides, with the DeLuxe projection surface
- The dry-erase and magnetic DeLuxe surface provides low gain, a wide viewing angle and a hot-spot free image
- Writing surface on both front and back of the wings
- Two sets of hinges allow for the wings to be opened and closed in front of the display, to protect it when not in use
- The wings are display specific; they cover the entire width and height of the display
- Can be used on the following display mounts/carts:
 - ✓ DS-SCETA / SKU #A8943521
 - ✓ DS-SCETTA / SKU #A8943519
 - ✓ DS-SCETANHVWB / SKU #A8943520
 - ✓ DS-SCETAWL / SKU #A9321876
